◆ Overview

The recently formed One Behavioral Health Association (formerly FCCMH and FADAA) is currently seeking sponsors for the **2019 Admin Forum** to be held at The Florida Hotel May 9th–10th in Orlando, Florida. The forum brings together chief professionals in the Human Resources, Financial, and Information Technology fields in the Behavioral Health sector. The two day forum features stand-alone presentations for each group, as well as combined presentations. We anticipate 150+ C-level professionals in attendance with more than 45 community behavioral health providers across Florida represented.
