Florida Council for Community Mental Health

## Corporate Partners

### Profile

Organizations and businesses that:

- Provide goods and services to the Florida Council and its member organizations .
- Demonstrate an interest in behavioral health and improving the lives of people needing mental health and substance abuse services.

### Qualifications

Organizations or business partners with the Florida Council and its member Organizational Members that are interested in cost-effective behavioral health care.

### Partnership Benefits

Depending on Corporate Partner Membership Level, the following are benefits to Corporate Partners:

- Listing on website.
- Early notification for registration to prime exhibition space.
- Discounted registrations rates and marketing rates for the Annual Conference.
- Networking with Council members.
- Access to other sponsorship opportunities.
- Access to Council newsletters, periodic alerts and updates on State and Federal legislation and policy.
- Invitations to join FCCMH policy sessions and training activities where members discuss areas of various interests to them and their business and collaborate in finding solutions.
- Your organization's PR materials or other information about your organization placed in printed board packets.
- Presentation to Council board members at scheduled board meetings.
